'ANIMATEUR' POSITION

Châteaux des langues specialises in English immersion courses for both adults and adolescents, which take place in the Château de la Mazure, near Laval, in France.

The working day is highly structured and follows a tight timetable, yet requires the 'animateur' to show initiative and common sense. You will be working as a team of three or four staff on a rota basis.

Responsibilities include

- Participating in the teenage residential courses; this includes leading activities, games, music, choreography, sketches, dance, and sport along with other staff members
- Overseeing the students in structured activities throughout the day
- Helping the students and participating in the animated meals
- Supervising the students during the evening activities and some light housekeeping duties.

Facilities offered

- On site accommodation and full board provided
- A minimum of 1000 euros for a month
- A minimum of 500 euros for a two-week contract

Profile required

- **You are either of French nationality or a student in another country who can work under a student convention**
- Fluent English speaker with an average level of written and spoken French
- Initiative, flexibility, ability to react to all circumstances
- Enthusiastic, responsible, reliable and motivated
- Happy to work in a team with a positive working attitude
- Enjoys working with children/adolescents

Dates 2025
